SUBSTANTIVE INTERVIEW SUMMARY

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dated: May 9, 2011

Sir:

The courtesy extended to applicant's representative, Joseph J. Catanzaro, by Examiners Andrew Bainbridge and Kevin Shaver during a personal interview which was conducted on April 6, 2011 in connection with the above-identified application is sincerely appreciated.

An Amendment was filed March 30, 2011 in response to the Office Action mailed September 30, 2010 in the above-identified application.

During the interview the claims of record were reviewed to assure that they distinguish the present invention over the art of record. During the interview the abstract was reviewed and it was concluded that a minor amendment was required. Accordingly it was agreed that an amendment of the abstract would be made by the examiner in conjunction with the issuance of a Notice of Allowance.

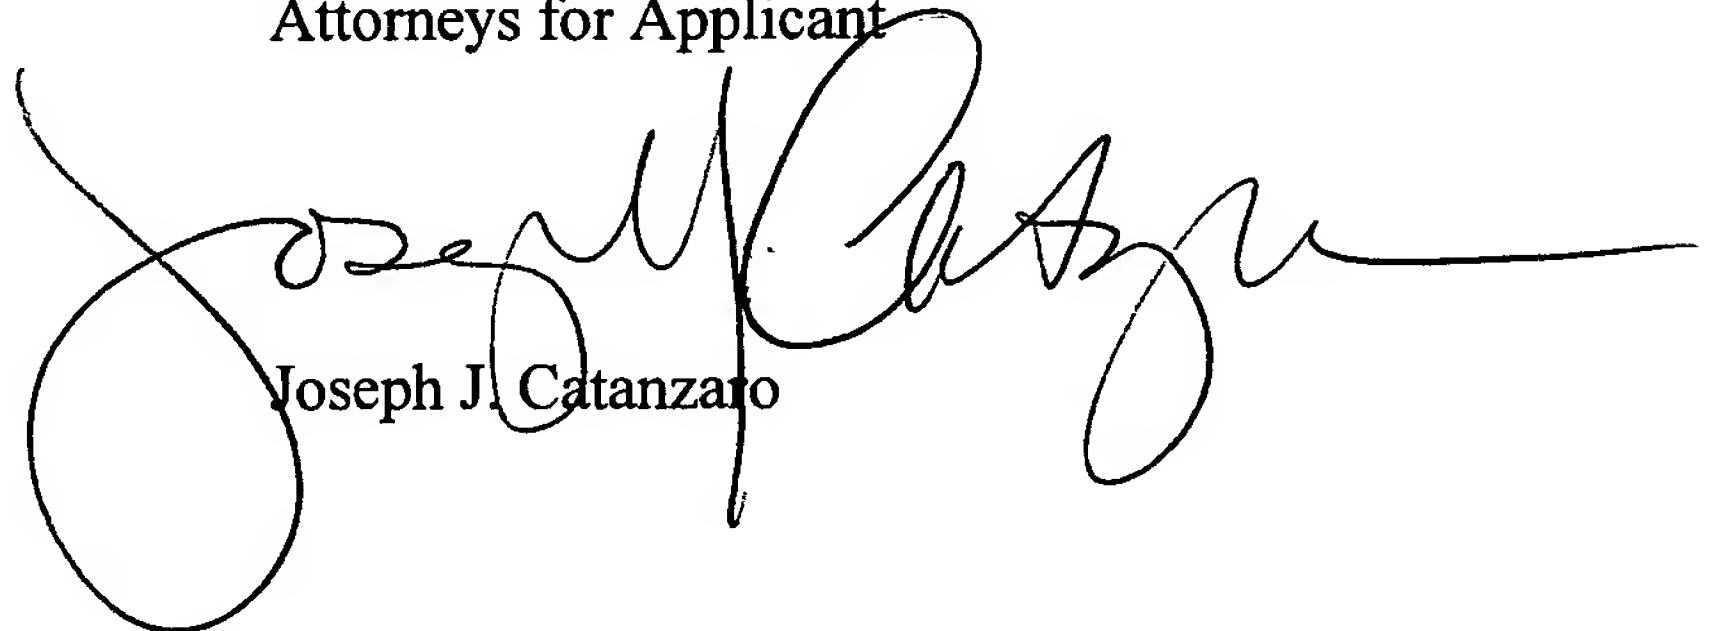

THE CLAIMS

It was also noted that the all of the claims contained reference numerals. Applicant's representative indicated that the applicant may prefer to add at least two claims which do not contain reference numerals. Accordingly, new Claims 21, 22 and 23 are being filed in a separate paper entitled Amendment Under 37 CFR §1.312.

FEE(S)
